Girls College Haji Baba

Mingora Swat on 24th

February, 2007.

تولیدی صحت
پیشہ ورانہ
سوات یونیورسٹی

The purpose of the workshop was to create awareness among the women community about women health problems. More than Seventy lecturers, students and their mothers participated in the workshop

In the inaugural Address Mr.Badar Zaman, Executive Director SYF, welcomed all the participants. In his address he expresses his deep concern over the women mortality rate during delivery in the far flung areas of District swat due to lack of basic medical facilities and lack of awareness . Moreover he emphasizes that to control it; basic Medical health facilities and advocacy campaigns are

inevitable

Mr. Liaqut Ali Khan, Field Officer NATPOW addresses the participants that the government of Pakistan is spending a huge amount of money on Mother Child welfare and healthcare and awareness; furthermore he added that awareness campaign can only and solely be achieved through public private partnership Before the commencement of the workshop a Pre Test was taken from the participants through questions papers to judge their general knowledge about Women

Health.

The workshop was conducted according to the following agenda.
