Purpose: Awareness creation among general masses regarding the importance of education

Process:

“Only and only education is the remedy for our all problems” said Qari Abdul Bais member of national assembly at the occasion of social walk and peaceful rally an account of celebrating International Literacy Day, organized by Swat Youth Front. The other speakers while expressing their views said that present government is providing free education facilities to the students and the dream of 100 % educated Pakistan will be realized in 2015. They also stressed upon parents to enroll their children, otherwise they will face the consequences. Speakers also demanded from the will to do families to course forward and play their due role and share their resources and capabilities for the promotion of education.

The walk was started from Haji Baba School, leading by DCO Swat Shah Hussain Afridi and ended at grassy ground stadium, passing through main bazar, kanju road, GT road and Makanbagh. At grassy ground stadium the speakers delivered their speeches and the program came to its end. All walks of life participated in this program including officials and teachers from education department, public representatives and thousands of students. The students having in their hands different banners, on which different slogans were written i.e. education for all etc.
